υσθε Τικον.

Amplissimæ munitione & ciuibus
Nec nos opibus vrbes, & armis inclytæ,
Iucunda libertas, opum vis maxima,
Solum ferax, rerum affluentia omnium,
Prudenter instituta Resq; publica,
Viri politi moribus, prudentia
Et eruditione summa præditi,
POLONIÆ variarum dominæ gentium
Non vana laudis afferunt præconia.
Et merito: Sunt enim Dei ista munera,
Regnare qui Reges iubens prudentia,
Tranquillitatem Rebus & dans publicis,
Largitur vnus omnia necessaria.
Sed nunc in hac mundi senecta perditæ,
Benignus in Poloniam suæ Pater
Effudit alma charitatis viscera,
VERBUM salutis prædicari libere
Sinens, idolorum remotis cultibus.
Hunc ergo Lector cùm Polonia typum
Mirare, tantis expolitæ dotibus:
Primum Deo grates habeto maximas,
Donis in illam pro suis: in posterum
Et adde vota, pergat vt benefacere.
Poloniæ congratulare, & admone
Sit grata tantorum datori munerum,
Ne regnum ab ipsa iratus auferat suum
